WE WISH MCX GOOD LUCK!

HOPE YOU DON'T MISS US

We thank **BHARAT** for giving us the opportunity to create MCX as a world-class institution in 10 years, that became the perfect example of Digital India, Startup India, Skill India, Stand-Up India and Atmanirbhar Bharat

Rs. 435.91 Crore
(EBIDA — March 31, 2013)

- 1 MCX became the first exchange in India to be listed on the stock market, with its IPO oversubscribed by 54 times in 2012.
- 2 MCX, on a capital of Rs. 50 Cr, paid Rs. 1513 Cr as dividend/bonus to banks & shareholders. They also got 100 times return on investment, as MCX became a 100-bagger stock with its stock price appreciating from Rs. 10 to Rs. 1032 (at the time of listing) in 10 years.
- 3 MCX created cash reserves of Rs. 963 Cr in 10 years.
- 4 MCX created 10 lakh jobs (as per TISS report).
- 5 The turnover of MCX in 2012-13 was twice that of India's GDP.
- 6 MCX turned into a unicorn in the first 1000 days.

MCX (with existing management)

MCX became the #2 global commodity futures exchange and #1 in Gold & Silver, #2 in Natural Gas and #3 in Crude Oil in the world, despite having only one product: Commodity Futures, without having Options trading and the participation of Banks, Mutual Funds & FIIs.

MCX (with existing professional management)

MCX has all products, i.e. Commodity Futures, Options, Indexes and all classes of investors, including Banks, Mutual Funds, FIIs & FPIs.

(While new CDP is live, our technology arrangement with MCX is till Dec 31, 2023)
